ABOUT THE COVER

The Wolfeboro Police Department shoulder patch uses the Chamber of Commerce seal as its center motif. This is a rendering of the old *Lady of the Lake* steamer and a stagecoach at Dockside. It was felt to most effectively portray the Town's claim as "The Oldest Summer Resort in America". There are seven colors embroidered into the patch. The design was the end result of the efforts of several officers of the department in collaboration with the students and teachers of the Graphic Arts department at Kingswood Regional High School.

In April of 1979 the patch was entered in a nationwide contest sponsored by *Police Department News*, a monthly law enforcement publication of wide circulation, and was voted the best looking patch in the United States. The patch was featured in the June 1979 issue of that magazine and is proudly worn by the members of the Wolfeboro Police Department.

**— SPECIAL MEETING —
TOWN OF WOLFEBORO
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Wolfeboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall Building—District Court Room in said Wolfeboro on Thursday, the thirty-first day of January 1980, at 10:00 o'clock in the forenoon until 6:00 o'clock in the afternoon and at Kingswood Regional High School at 7:00 in the evening to act upon the following subjects:

Article 1. To see if the Town will vote to authorize the Selectmen to sell a certain parcel of land located on the Westerly side of Pine Hill Road, containing $8\frac{1}{2}$ acres, more or less, for consideration of Five Thousand Dollars (\$5,000.00) to Brockhouse Corp., a Delaware corporation with a place of business in Exeter, N.H. The subject parcel of land is described in plan entitled "Property Sketch for Brockhouse Corp./Walter E. Jones, Pine Hill Road, Carroll County, Wolfeboro, N.H." dated October 17, 1979 and prepared by Lakes Region Survey Service, Inc.

A copy of this plan is attached to this Warrant. The Agreement under which this property is being sold is also attached to this Warrant.

Article 2. To see if the Town will vote to amend Article II, Section 6 by adding the following:

It shall also contain all the land within the following boundaries:

Beginning at a drill hole set in boulder at end of stone wall 20.0' westerly from centerline of Pine Hill Road and land now or formerly of Crowther; said point being the easterly corner of the herein described parcel;

thence S $48^{\circ}50'25''$ W 466.55' along said stone wall in part and partial barbed wire fence and said land of Crowther to an iron pipe;

thence S $51^{\circ}15'38''$ W 299.28' along said land of Crowther to an iron pin:

thence N $37^{\circ}31'41''$ W 1404.86' along said land of Crowther to a blazed and painted tree with an iron pin at base;

thence N $59^{\circ}47'44''$ E 297.35' along said land of Crowther to an iron pipe;

thence N $37^{\circ}04'14''$ W 504.22' along said land of Crowther to an iron pipe;

thence N $53^{\circ}25'47''$ E 162.20' along said land of Crowther to an iron pipe at land now or formerly of Moody;

thence N $66^{\circ}59'17''$ E 1020.80' along said land of Moody to an iron pipe in larger boulder at land now or formerly of Moody;

thence S $57^{\circ}41'16''$ E 378.40' along a stone wall in part and said land of Moody to an iron pin;

thence continuing along the last mentioned bearing S $57^{\circ}41'16''$ E along said land of Moody to the westerly side of the said Pine Hill Road right-of-way; said point being located opposite the Pine Hill Cemetery and about 150' southerly from the intersection of Beech Pond Road;

thence in a southerly direction 1465' along said Pine Hill Road right-of-way to the point of beginning.

This article to be voted on by written ballot from 10:00 o'clock in the A.M. to 6:00 o'clock in the P.M.

Article 3. And to conduct any other business that may legally come before this meeting.

Given under our hands and seal, this fifteenth day of January, in the year of our Lord nineteen hundred and eighty.

EDWARD W. ZULAUF
PAUL R. HATCH
LILLIAN O. BROOKES
Selectmen of Wolfeboro, N.H.

MINUTES OF THE SPECIAL TOWN MEETING **January 31, 1980**

Brewster Memorial Town Hall

Kingswood Regional High School

The Special Town Meeting was called to order at 10:00 A.M. at the Wolfeboro District Court Room by Moderator Robert C. Varney. Balloting on Article 2 began after the reading of the Article, to continue until 6:00 P.M.

The meeting reconvened at Kingswood Regional High School at 7:00 P.M. to act on Article 1.

The Special Town Meeting results are as follows:

ARTICLE 1. To see if the Town will vote to authorize the Selectmen to sell a certain parcel of land located on the Westerly side of Pine Hill Road, containing 8½ acres, more or less, for consideration of Five Thousand Dollars (\$5,000.00) to Brockhouse Corp., a Delaware Corporation with a place of business in Exeter, N.H. The subject parcel of land is described in plan entitled "Property Sketch for Brockhouse Corp./Walter E. Jones, Pine Hill Road, Carroll County, Wolfeboro, N.H." dated October 17, 1979 and prepared by Lakes Region Survey Service, Inc.

A motion was made by James W. Hill, seconded by Russell Chase, to adopt Article 1 as read. As there was no discussion, Moderator Robert C. Varney called for a voiced vote on the Article. Voice vote was in the affirmative, and the Article was declared passed.

ARTICLE 2. Zoning Amendment. The balloting resulted in the following totals: 294 Yes and 39 No. The Moderator declared Article 2 passed. The meeting adjourned at 7:07 P.M. on a motion made by Edward Zulauf and seconded by Richard Clarke.

Respectfully submitted,
RACHAEL L. JONES
Town Clerk

ANNUAL TOWN MEETING WOLFEBORO, NEW HAMPSHIRE March 11, 1980

Brewster Memorial Town Hall
Kingswood Regional High School

10:00 A.M.
7:00 P.M.

Pursuant to the foregoing warrant, the Town Meeting was called to order at 10:00 A.M. by the Moderator, Robert C. Varney.

After reading Articles 1 and 2, James Hill made the motion, seconded by Thomas O'Dowd, to refrain from reading Articles 3 through 21 until the evening meeting. Voice vote was in the affirmative. Moderator Varney then read Article 22 pertaining to Zoning Amendments. James Hill made the motion to refrain from reading Articles 23 through 26 until the evening meeting; seconded by Stanley E. Stevens. Voice vote was in the affirmative. Voting by official ballot began at 10:15 A.M. to continue until 6:00 P.M.

At 7:00 P.M. the meeting reconvened at the Kingswood Regional High School with Moderator Robert C. Varney presiding.

Following is the action taken on the various Articles in the Warrant:

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the design, preparation of specifications, estimate of cost, and bidding forms for the construction of a water standpipe (Storage Tank) having a minimum capacity of 500,000 gallons on the North Main Street site by the issuance of bonds or notes to be paid for from real estate taxes. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee). A Motion was made by C. Warren Brodrick, seconded by Peter Brewitt to adopt Article 3 as read. Voice vote was in the affirmative and declared more than $\frac{2}{3}$ rds vote in the affirmative.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the completion of the Master Plan in 1980. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee). A motion was made by James Hill, seconded by Warran Thompson to adopt Article 4 as read. Voice vote was in the affirmative and declared passed by the Moderator.

ARTICLE 5. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, in the amount of \$64,916.89 for the purchase of the following equipment:

1. Highway Department Diesel Dump Truck	\$24,000.00
2. Uni-Loader for Incinerator Operation	11,500.00
3. Vibrating Compactor	1,600.00
4. Addressograph	5,750.00
5. York Rake for Highway Department	2,400.00
6. Fire Truck (Pumper)	19,666.89

Total Revenue Sharing Appropriation \$64,916.89

(Recommended by the Budget Committee). A motion was made by John Ballard, seconded by John Carr, to adopt Article 5 as read. Voice vote was in the affirmative, and the Article was declared passed.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum not to exceed \$30,000.00 by issuing serial notes to pay for the balance of the cost of the fire truck mentioned in Article 5. (Recommended by the Budget Committee.) A motion was made by Russell Chase, seconded by Gordon A. Reade, to adopt Article 6 as read. Voice vote was in the affirmative, and the Article was declared passed.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be used to install an artesian well and pump at the Abenaki Ski area. (Recommended by the Budget Committee.) A motion was made by James Hill, seconded by Leslie Rankin, to adopt Article 7 as read. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 as its share of the cost of reconstructing Bridge No. 126/107 on the Whitten Neck Road, a Class V Highway in the Town of Wolfeboro, and further, to request the Commissioner of Public Works and Highways to set a time and place for the meeting of the Board to determine that public convenience and necessity require the reconstruction of the Bridge, as provided by RSA, Chapter 242. (Requested by the Board of Selectmen) (Recommended by the Budget Committee). A motion was made by Charles Foss, seconded by Gordon Reade, to adopt Article 8 as read. Discussion followed. The bridge is rated as having six ton capacity, and it was stated that many plows and trucks exceed that tonage. Voice vote on the Article was in the affirmative, and it was declared passed.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$98,000.00 for the sole purpose of paying for the revaluation of the Town of Wolfeboro, so as to comply with the Order for Reassessment of the New Hampshire State Board of Taxation, dated June 18, 1979. The sum of \$98,000.00 is to be raised by the issuance of notes or bonds and shall be redeemed over a period of ten (10) years. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee). A motion was made by Peter Brewitt, seconded by Allan Bailey, to adopt Article 9 as read. Discussion followed. John Waters made the motion to amend the Article to read the sum be raised by taxes. Standing vote was taken showing the following results: 146 Yes, 162 No. The amendment was declared defeated. Discussion continued. Voice vote on the Article as written was in the affirmative, and declared as a 2/3rds vote; Article passed.

ARTICLE 10. To see if the Town will vote to raise and appropriate funds not to exceed \$5,000.00 to perform a study of the Town trash disposal system in order to eliminate the need for mandatory separation. Study to include: whether the existing equipment is being utilized to its full potential. If land fill is a possible alternative. Furthermore, we would like the Selectmen's ordinance providing the rules and regulations pertaining to the operation of the Wolfeboro Solid Waste Disposal Facility for mandatory separation held in abeyance until this study is completed. (Submitted by Petition) (Not recommended by the Budget Committee). A motion was made by Allan Bailey, seconded by Peter Brewitt, to adopt Article 10 as read. A motion was made by Allan Stevens, seconded by Norval Smith, to delete the last sentence of the Article. Voice vote on the Amendment as read was in the affirmative. Discussion followed. John Carr made the motion to close debate, seconded and passed in the affirmative. Voice

vote on Article 10 as amended was in the negative, and the Article was declared defeated.

ARTICLE 11. To see if the Town will establish a contingency Fund of \$10,000.00 to meet the costs of expenses not anticipated that may arise during the year. A detailed report of all expenditures from the Contingency Fund shall be made by the Selectmen and published with the Town Report. (Submitted by the Budget Committee) (Recommended by the Budget Committee). A motion was made by David Senecal, seconded by Peter Brewitt, to adopt Article 11 as written. The voice vote was unanimous, and the Article declared passed.

ARTICLE 12. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in this report and listed in the Budget. (Submitted by the Board of Selectmen). A motion was made by Allan Bailey, seconded by David Senecal, to adopt the Article as read. David Senecal made a motion to increase wharves by \$3,000.00. The total Budget to be \$3,669,823.26. The motion was seconded by Charles Foss. Voice vote on the amendment was in the affirmative. Voice vote on Article 12 as amended was in the affirmative, and the Article was declared passed.

ARTICLE 13. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes and Federal Grants. (Submitted by the Board of Selectmen). Warren Thompson made a motion, seconded by James Hill, to adopt the Article as read. Voice vote was in the affirmative and the Moderator declared the Article passed.

ARTICLE 14. To see if the Town will vote to instruct the Board of Selectmen to prepare plans and recommendations relative to the construction of permanent ice skating facilities and submit this information to the 1981 Town Meeting. (Submitted by the Board of Selectmen). A motion was made by Allan Bailey, seconded by Peter Brewitt, to adopt the Article as read. Discussion followed. Voice vote on the Article was in the affirmative, and the Article was declared passed.

ARTICLE 15. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1980 appropriation, said funds to be placed in a special conservation fund in accordance with RSA 36-A:5. A motion was made by Dennis Bean, seconded by Charles Foss, to adopt the Article as read. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 16. To see if the Town will vote to authorize that the Conservation Commission be empowered to manage the Town forests under the provisions of RSA 31:112 (11), and that any proceeds as might accrue from said forests be placed in a separate conservation trust fund to be managed by said commission. Motion was made by John Ballard, seconded by James Hill, to adopt Article 16 as read. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 17. To see if the Town will vote to authorize and direct the Selectmen to grant a cable television franchise to CableVision Service Co., Inc., upon such lawful conditions as they may require, to erect, install and maintain in, under, or over streets, highways, and other public ways of the Town, wires, cable, and other equipment related to the delivery or

enhancement of television signals and other electrical impulses all in accordance with and as allowed by, New Hampshire RSA 53-C (Supp. 1977). Presented by Petition. A motion was made by John Ballard, seconded by John Carr, to adopt the Article as read. A motion was made by Paul Hatch to amend Article to read: "To see if the Town will vote to authorize the Board of Selectmen to be the franchising authority, as provided under the provisions of N. H. RSA 53-C, relative to franchising and regulation of cable television systems by towns and cities; and further, to direct the Selectmen to seek and consider proposals from any legally authorized person wishing to obtain such a franchise in the Town of Wolfeboro". Seconded by Leslie Rankin. Voice vote on the amendment was in the affirmative. Mr. Felder from CableVision asked to speak before the meeting. A motion was made by Russell Chase, seconded by Edward Zulauf, to deny Mr. Felder the opportunity to speak. Voice vote was in the negative. Voice vote on Article 17 as amended was in the affirmative, and the Article was declared passed.

ARTICLE 18. To see if the Town will vote to adopt an Ordinance Governing Sewage or Waste Disposal Systems. Copies were posted with the Warrant and were available at the Town Office and at the Town Meeting. A motion was made by Gordon Reade, seconded by Robert Sager, from refraining the entire Article. Voice vote was in the affirmative. A motion was made by Alexander McKenzie, seconded by Richard Clarke, to postpone indefinitely any action on the article. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 19. To see if the Town will vote to elect the members of its planning board pursuant to the provisions of RSA 36:4 11 (b). (Presented by Petition) A motion was made by Richard Clarke, seconded by William Swaffield, to adopt the article as read. Discussion followed. Voice vote on the Article as written was in the affirmative, and the Article was declared adopted.

ARTICLE 20. Shall we adopt the provisions of RSA 72:62 for a property tax exemption on real property equipped with a solar energy heating or cooling system which exemption shall be a deduction of the appraised value of the solar system from the appraised value of the property. (Presented by Petition). A motion was made by Leslie Rankin, and seconded, to adopt the article as read. Leigh Turner made a motion to table the Article indefinitely. Voice vote was in the negative. A motion was made by John Waters, and seconded by Richard Clarke, to terminate debate. Voice vote on Article 20 as written was in the affirmative and declared passed.

ARTICLE 21. To see if the Town will vote to authorize, allow, and empower the Selectmen to sell and convey by quitclaim deed, following notice of sale by advertisement that certain tract or parcel of land depicted as being Lot #6-8-25 and having 42 feet of frontage as shown on the Town Tax Map to the highest bidder. (Presented by Petition). A motion was made by Kenneth Jones, seconded by James Hill, to adopt the Article as read. Discussion followed. Voice vote on the Article was in the affirmative, and Article 21 was declared passed.

ARTICLE 22. Balloting during the day produced the following results: Yes 663 No 267 Amendment #1 was declared passed.

ARTICLE 23. To see if the Town will vote to authorize the Board of

Selectmen to apply for, accept and expend money from the state, federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth RSA 31:95-b. The Selectmen shall, before accepting any funds from the above list of sources, hold a public hearing to obtain the feeling of the Town. (Presented by the Selectmen). A motion was made by Allan Bailey, seconded by Stanley Stevens, to adopt the Article. Paul Hatch explained the in-depth meaning of the Article; then came a rebuttal by Lillian Brookes. Voice vote was in the negative, and the Article was declared defeated.

At this time, Lillian Brookes made a motion to have Article 19 brought up for reconsideration; seconded by Roger Moody. Before the Moderator could present the Article to the public, Peter Brewitt made a motion, seconded by Randolph Dales, to overrule the Chair, as Mr. Brewitt considered the motion out of order. Voice vote was in the affirmative, and no further action was taken on Mrs. Brookes' motion.

ARTICLE 24. To see if the Town will vote to authorize prepayment of resident taxes and to authorize the tax collector to accept prepayment as provided by RSA 80:1-a. (Presented by Selectmen). A motion was made by Richard Clarke, seconded by Allan Bailey, to adopt the Article as read. Voice vote was in the affirmative and the Article was declared passed.

ARTICLE 25. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require. (Presented by Selectmen). A motion was made by John Ballard and seconded by Dr. Lawrence Toms, to adopt the Article as read. Voice vote could not be determined, so a standing count was taken with the following results: Yea 109, No 125. The Article was defeated. A motion was made by Edward Roundy, seconded by Raymond Dumont, to reconsider the Article. Mr. Roundy made the motion, seconded by Lillian Brookes, to delete the words "or in such other manner as determined by the Selectmen as justice may require". Voice vote on the amendment was in the affirmative. Voice vote on Article 25 as amended was in the affirmative and so declared by the Moderator.

ARTICLE 26. And to transact any other business that may legally come before the meeting. A motion was made by James Hill, seconded by Leslie Rankin, to adjourn the meeting. The meeting was adjourned at 9:55 P.M.

Respectfully submitted,
RACHAEL L. JONES
Town Clerk

REPORT OF SKATING RINK COMMITTEE TO THE BOARD OF SELECTMEN

Pursuant to the approval of Article 14, Town Meeting of March 14, 1980, regarding preparation of plans and recommendations for permanent ice skating facilities, you appointed this Committee to review the proposal and report its recommendations to you.

After studying facilities and costs of rinks maintained by other communities, the Committee obtained estimates for the erection of a covered rink of regulation size. Costs for a natural ice skating facility ranged from \$200,000.00 to as high as \$450,000.00. An artificial ice rink was ruled out, not only because of high initial costs, but also high maintenance costs. In addition, construction and maintenance costs for a facility utilized not more than four to five months a year would be almost prohibitive unless other, profitable facilities could be found for spring, summer, and fall seasons.

After balancing the advantages and disadvantages of various alternatives, the Committee recommended an open natural ice facility with an estimated cost of \$40,000.00 and maintenance cost of approximately \$5,000.00, to be constructed on Town property, known as the Town Gardens. In view of objections to the use of this site, the Committee suggested a site on Town owned land next to Brewster Beach, and another at the Foss field recreation area. Actually, two areas at the latter location were suggested: the present little league field or the soccer field. The soccer field was preferred, as a skating rink would not interfere with soccer activities, nor do damage to the field. This area is close to the elementary school and all recreational activities would be located in one area. Cost of preparation was estimated at \$5,000.00.

The Town proceeded to obtain bids for boards, which were contracted for and erected on the little league field. Now that the boards have been constructed, they can be used in future years at any area, with the only cost to the Town being maintenance and supervision.

Respectfully submitted,
HERBERT P. VANBLARCOM, Chairman

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 6:00 P.M.

To the inhabitants of the Town of Wolfeboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Brewster Town Hall Building in said Wolfeboro on Tuesday, the tenth day of March, next at ten of the clock in the forenoon to act upon the following subjects and at Kingswood Regional High School at 7 P.M. to act on the Articles.

Article 1. To choose one Selectman for three years, Town Clerk for three years, a Treasurer for one year, a Trustee of Trust Funds for three years, one Auditor for one year, one Auditor for two years, three members of the Budget Committee for three years, one Library Trustee for three years, one Police Commissioner for three years, three Planning Board Members for one year, two Planning Board Members for two years, and two Planning Board Members for three years.

Article 2. To choose all other Town Officers and Agents.

Article 3. To see if the Town will vote to raise and appropriate a sum not to exceed \$225,000.00 for the purchase of the Kammler Buick property on Glendon Street, consisting of the parking area and buildings on the South Side of Glendon Street and the parking lot on the North side of Glendon Street by the issuance of bonds or notes to be paid for from real estate taxes and further to authorize the Board of Selectmen to negotiate the purchase of this property. *(Submitted by Selectmen) (Not recommended by the Budget Committee)*

Article 4. To see if the Town will vote to raise and appropriate a sum not to exceed \$165,000.00 for the purchase of the Kammler Buick property at the corner of School and Glendon Streets consisting of a parking area and buildings by the issuance of bonds and notes to be paid for from real estate taxes and further to authorize the Board of Selectmen to negotiate the purchase of this property. *(Submitted by Selectmen) (Not recommended by the Budget Committee)*

Article 5. To see if the Town will vote to raise and appropriate a sum not to exceed \$65,000.00 for the purchase of the Kammler Buick parking lot located on the North side of Glendon Street by the issuance of bonds or notes to be paid for from real estate taxes and further to authorize the Board of Selectmen to negotiate the purchase of this property. *(Submitted by the Selectmen) (Recommended by the Budget Committee)*

Article 6. To see if the Town will vote to raise and appropriate the amount of \$15,000.00 for the purpose of constructing three additional offices and storage space on the second floor of the Public Safety Building for use by the Wolfeboro Police Department. Payment to be made from real estate taxes to be levied in 1981. *(Submitted by the Selectmen) (Recommended by the Budget Committee)*

Article 7. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Act of 1972, in the amount of \$94,406.00 for the purchase of the following equipment:

1. Payment of fire truck note issued in 1980	\$25,000.00
2. Can Crusher with magnetic separator head	9,500.00
3. Car, Code Officer	6,500.00
4. Tractor Loader with 6' cutter bar	19,000.00
5. Riding lawn mower	3,500.00
6. Copy machine	3,000.00
7. Office typewriters, calculators, and miscellaneous equip.	4,000.00
8. Police cruiser, lights, siren & radio	10,600.00
9. Public Works Garage Pick-up truck	7,000.00
10. Fire Department Fire Boat (used)	6,306.00
TOTAL	\$94,406.00

(Recommended by the Budget Committee)

Article 8. To see if the Town will establish a Contingency Fund of \$15,000.00 to meet the costs of expense not anticipated that may arise during the year. A detailed report of all expenditures from the Contingency Fund shall be made by the Selectmen and published with the Town Report.
(Recommended by the Budget Committee)

Article 9. To see if the Town will raise and appropriate the amount of \$2,000.00 for the American Legion Harriman-Hale Post to be expended for RSA-31. *(Presented by Petition) (Not recommended by the Budget Committee)*

Article 10. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in this report and listed in the Budget.

Article 11. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes and Federal Grants.

Article 12. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1981 appropriation. Said funds to be placed in a special conservation fund in accordance with RSA 36-A:5.

Article 13. To see if the Town will vote to authorize that the Conservation Commission be empowered to manage the Town Forests under the provisions of RSA31:112 (II), and that any proceeds as might accrue from said forests be placed in a separate Conservation Trust Fund to be managed by said Commission.

Article 14. To see if the Town will vote to authorize, allow and empower the Selectmen to sell and convey by quitclaim deed, following notice of sale by advertisement, that certain tract or parcel of land located on Filter Bed Road, known as the Carroll Clough lot.

Article 15. To see if the Town will vote to authorize, allow and empower the Selectmen to sell and convey by quitclaim deed, following notice of sale by advertisement, that certain tract or parcel of land located on Route 28 in South Wolfeboro on brow of Old Perk, known as the Henry Lupien Lot, consisting of 8 acres, more or less.

Article 16. To see if the Town will vote to authorize, allow and empower the Selectmen to sell and convey by quitclaim deed, following notice of sale by advertisement, that certain tract or parcel of land located in the Penn Air Subdivision, known as Lot 2R on the subdivision plan and further identified on the Wolfeboro Tax Map on Page 20, Block 4, Parcel 11.

Article 17. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State or any City, Town, or other governmental unit of the State to five percent. *(Presented by Petition)*

Article 18. To see if the Town will vote to rescind the action taken at the 1980 Town Meeting to elect the members of the Wolfeboro Planning Board and return to the appointment of said Planning Board members under New Hampshire RSA 36:4 II (a). *(Presented by Petition)*

Article 19. And to transact any other business that may legally come before the meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and eighty-one.

PAUL R. HATCH
LILLIAN O. BROOKES
EDWARD W. ZULAUF
Selectmen of Wolfeboro, N.H.

A true copy of Warrant—Attest:

PAUL R. HATCH
LILLIAN O. BROOKES
EDWARD W. ZULAUF
Selectmen of Wolfeboro, N.H.

BUDGET COMMITTEE'S REPORT 1980

The Wolfeboro Budget Committee consists of nine members. Three members are elected each year to serve a three year term. The Board of Selectmen is represented on the Budget Committee by one of their members, as a voting member.

The Committee spends many long hours in reviewing the annual budget requests of the many Town service departments, revenue departments, regional associations, and social service agencies. The Committee solicits the recommendatrion of the Board of Selectmen on each request. Then, by a majority vote of the Committee, a final recommended budget is presented to Town Meeting.

I am pleased to report that the 1981 Town Government Budget, as recommended by the Budget Committee, represents an increase in the amount to be raised by taxation of only approximately 4% over the 1980 level.

Voters will note an increase in the recommended Selectmen's Contingency Fund. This amount is to deal with the unpredictable fuel situation.

A major recommended purchase this year is the former Kammler parking lot behind the Post Office (Article 6). This area should provide additional off-street parking for the downtown area.

A working group of the Committee, headed by Joe Santoro, with Committee Members, Dick Clarke and Ben Ladd, as well as department heads, and the Town Manager, has completed a review of the present wage scale structure of the Town. A comprehensive report, containing many recommendations, is soon to be presented to the Board of Selectmen for their acceptance. Funds have been provided in this year's budget for the implementation of these recommendations.

I wish to thank all Department heads, the Town Manager, and the Selectmen for their assistance in preparing the 1981 budget. I wish to thank the individual members of the Budget Committee for the many hours they have put in. It is a privilege for me to work with you all.

PETER D. BREWITT, Chairman
Wolfeboro Budget Committee

BUDGET FOR THE TOWN OF WOLFEBORO, NEW HAMPSHIRE

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 1981 to December 31, 1981

**A REPORT TO THE CITIZENS
OF WOLFEBORO, NEW HAMPSHIRE
FROM THE BOARD OF SELECTMEN
OF WOLFEBORO
ON
CONTINGENCY FUND WITHDRAWALS
FOR THE YEAR 1980**

Five times during the year of 1980, the Selectmen withdrew from the Contingency Fund for the following expenditures:

1. The 1980 Town Meeting authorized the Board of Selectmen to sell the Cate Lot, located next to the Richard Charles property on Lehner Street. Prior to this being sold, the Selectmen had the property surveyed so that a proper deed could be provided. The cost of this survey was \$780.00.
2. Unexpectedly, the Board of Selectmen and the Historical Society received an electric bill, which dated back many years for work that was performed at the Clark House. In order to satisfy this bill, the Selectmen withdrew \$396.06 from the contingency fund.
3. During the Summer of 1980, the Conservation Commission requested additional funds to remove milfoil from the Back Bay area. The Selectmen authorized this project to proceed and provided \$750.00 from the contingency fund toward the cost of the milfoil removal.
4. An artesian well, which was authorized to be drilled at Abenaki Ski area resulted in the well having to be drilled to the depth of 505 feet, costing more money than was originally provided for this project. The Selectmen, therefore, withdrew \$1,680.20 from the contingency fund toward this project in order for it to be completed.
5. Resulting from the ice skating committee's work throughout the year of 1980, it was felt that better boards should be provided for the ice skating rink. The Selectmen, therefore, withdrew \$4,474.96 from the contingency fund to provide the necessary boards for the Back Bay Skating area.

The total expenditures from the Contingency Fund for the year 1980 amounted to \$8,081.22.

LILLIAN O. BROOKES
EDWARD W. ZULAUF
Board of Selectmen, Wolfeboro, New Hampshire

SELECTMEN'S PROGRESS REPORT 1980

The year 1980 was a very busy year for Wolfeboro. It is impossible to report all the work of the Selectmen in the Annual Town Report, but it should be noted that the minutes of all meetings and actions taken by the Board are a matter of public record and are on file at the Town Hall.

First priorities are given annually to carrying out the mandates of the voters of Wolfeboro as determined at the Town Meeting. Several major issues were discussed and the following is a summary of some of the actions taken by the Board during the year:

As a result of last year's vote, the Selectmen have completed design, engineering and cost studies relating to the construction of a new water standpipe on North Main Street (Article #3—1980). Based on the findings and recommendations, an Article appears in the 1981 Town Warrant relating to this subject.

Several new pieces of equipment were purchased during the year utilizing Federal Revenue Sharing funds as authorized by Article #5.

A new artesian well was installed at the Abenaki Ski area in accordance with the passage of Article #7.

In accordance with the mandates of Article #8, substantial work was completed with the cooperation of the State of New Hampshire, relative to the reconstruction of the bridge on Whitten Neck Road.

The Selectmen awarded the bid for the completion of the tax revaluation of the Town, as ordered by the Board of Taxation. Work is continuing, and the 1981 assessments will reflect the revaluation efforts. This work is being completed in accordance with passage of Article #9.

Article #14 authorized the Selectmen to appoint a committee to study and make recommendations relating to the construction of permanent ice skating facilities. The Committee was formed and contributed many hours of work on this project. As a result, voters at the 1981 Town Meeting will be afforded the opportunity to adopt the recommendations of the committee and authorize the funding of the suggested projects.

The passage of Article #17 authorized the Selectmen to proceed in seeking qualified applicants interested in seeking a franchise of Cable Television (CTV) in Wolfeboro. The Selectmen and Town Manager have spent a great deal of time on this, assisted by Town Counsel. Preliminary work was completed by late Fall, and criteria was established under which Wolfeboro could proceed. Firms interested in competing for the franchise were notified and advertisements placed in CTV trade magazines. Proposals were submitted, with the closing date set as February 13, 1981. After careful review and public hearings, it is anticipated that a franchise will be awarded in early Spring. Several firms have indicated an interest in obtaining the franchise.

The work undertaken by the Selectmen ran literally from A to Z, with some of the highlights including:

Work to make the Town Hall more energy efficient. Work was completed on the installation of new windows, insulation, and plans were made to install a more efficient heating system in the courtroom.

An audit of all Town Accounts was finished; the sale of land to the Brockhouse Corporation was finalized, and their new plant is constructed,

work is ongoing and several persons have obtained employment in this, Wolfeboro's newest industry.

A new Code Enforcement Officer was named. David Senecal assumed the position, bringing with him a great deal of experience in the building field. Mr. Bernard Pineo, III was hired to be the new Dog Officer.

A study committee was established to make recommendations into the more efficient operation of the Incinerator Facility, and as a result, new ordinances were adopted calling for mandatory separation of trash.

Other projects included:

- Repairs to the Crescent Lake Dam.

- Adoption of directional sign guidelines.

- Approval of a milfoil harvesting project in Front Bay.

- Clean-up of the Wolfeboro Bay with the assistance of volunteer scuba divers.

- Tax Map updating.

- Granting of a taxi permit.

- Submission of new electric rate tariff to the State Public Utilities Commission.

- Meeting with Wolfeboro's Representatives to the General Court to review legislation affecting the Town.

- Passage of a resolution calling for preparation of an austerity budget for 1981.

Several projects were accomplished with regard to the completion of road and sidewalk repairs and in the maintenance of Town property.

Wolfeboro's opposition to the demands of the State Water Supply and Pollution Control Commission a couple of years ago has apparently borne fruit, in that a new alternative has been made available to the Town in addition to the choice of building a new water treatment facility and/or developing new underground sources of water. A plan allowing for the process of superchlorination/dechlorination is now being considered by the State.

As always, the Board wishes to thank the Town employees and the many people who serve as volunteers on committees or who participate in making our projects successful. Without their assistance and involvement, our work would be much more difficult and time consuming. The Board of Selectmen wishes to thank everyone for their cooperation during the past year.

WOLFEBORO WATER POLLUTION ABATEMENT FACILITIES

Primary-Secondary Treatment Plant:

The operation for the year 1980 was satisfactory without the needed correction to the aeration system. It was anticipated that during 1980, the necessary approvals from the State Water Supply & Pollution Control Commission and the Federal Environmental Protection Agency would be forth-coming to begin construction, but early in 1980, a Federal freeze on Federal funds was instituted. Consequently, all E.P.A. funds for design construction were halted until late in 1980. The proposed work on the Wolfeboro Treatment Plant was effected by this overall shut-down. Now that the freeze has been lifted, there is a possibility that the final approvals and actual construction may become a reality by Spring of this year.

The plant processed and pumped 75.63 million gallons to the holding pond at the spray site. The records indicate that the average monthly flow was 6.30 million gallons and the average daily rate was 206,600 gallons. The figures for 1980 average about 60% of what was processed in 1979. A reasonable assumption for the reduction is two-fold: First, that the year 1980 was the first full year of the rehabilitated collection system and secondly, the year 1980 was an exceptionally dry year, almost bordering drought conditions.

Tertiary Treatment Facility:

1980 was the second complete year of operation of the spray area and worked as expected. The season began May 23, and ended October 25. During the season, the three pumps operated about 1,966 hours and pumped approximately 93.8 million gallons into the 100 acres of woods which are used as spray fields.

This year the monitoring program was assigned to Normandeau Associates of Bedford, New Hampshire, under a three year contract, paid mostly by Federal funds. A second study was undertaken by the State of New Hampshire Forestry Department to inventory the wood resources and present a viable program for harvesting the excess and older trees in the spray areas. A third study is being conducted by the Department of Agronomy of the University of New Hampshire to measure the effect of the sprayed effluent on the growth of the trees. Test areas of 1/10 acre, three per field, have been laid out and every tree described and measured as to height and diameter. Control plots outside of the spray areas have been located and recorded in which the increase, if any, in the spray area plots will be measured against. The Wolfeboro Conservation Commission has spent much time on the spray areas and through them the last two mentioned studies began.

Respectfully submitted,
GORDON A. READE
Plant Operator

EDA PROJECT NO. 01-51-21-159-LIBRARY

The Wolfeboro Library was completed at a cost of \$600,000.00 through an E.D.A. Grant and the following statement was made by the auditing firm of Feeley & Driscoll, Certified Public Accountants:

TOWN OF WOLFEBORO Wolfeboro, New Hampshire

COMPLIANCE WITH GRANT TERMS AND CONDITIONS AND EDA-LPW REQUIREMENTS

In connection with our examination of the financial statements as reported in Attachment I, we have reviewed the terms and conditions of the grant and EDA-LPW instructions and have performed tests of the Town of Wolfeboro's operations and records applicable to the compliance requirements set forth in Parts II A and B of the audit program in the Department of Commerce "Audit Instructions for Local Public Works Grants Under Title I of the Public Works Employment Acts of 1976 and 1977".

In our opinion, for the terms tested, the Grantee complied in all material respects with the applicable compliance matters contained in Part II A of the audit program referred to above. Further based upon procedures performed in accordance with Part II B, nothing came to our attention to indicate that the Grantee had not complied in all material respects with all applicable items listed in Part II B of the audit program referred to above.

REPORT OF THE CODE ENFORCEMENT OFFICER

During the year of 1980, four hundred and forty-seven permits were issued. The breakdown is as follows:

Permits	Number	Total Estimated Cost
Dwellings	48	\$2,840,770.00
Additions and Remodeling	88	439,890.00
Accessory Buildings	38	48,800.00
Commercial Buildings and Additions	15	1,217,868.00
Demolitions	11	
Signs	26	
Electrical	77	
Plumbing	44	
New Uses	3	
Occupancy	28	
Driveway	3	
Yard Sale	66	
TOTAL PERMITS	447	\$4,547,328.00

On April 15, 1980, I started my duties as Code Enforcement Officer, some of which included issuing permits, enforcing Planning and Zoning Ordinances, electrical, plumbing and building code inspections. All money

received from permit fees are given to the Town Clerk and placed into the general fund.

The main reason for such an increase in the total estimated cost of buildings this year was the building of the Brockhouse Corporation building on Route 109A, and an increase of fifteen (15) dwelling units.

As is evident from the increase in permits, Wolfeboro is still growing. We in Wolfeboro are fortunate that we have controlled growth with Planning and Zoning Ordinances, plus inspections assist in keeping the property values up and the tax base.

I would like to thank all the people who have assisted me during the transition into this new position.

Respectfully submitted,
DAVID A. SENECA
Code Enforcement Officer

REPORT OF HEALTH OFFICER 1980

The health situation in Wolfeboro during the year 1980 was average. There were a few cases of flu. Pneumonia vaccine given to the elderly and to those with respiratory diseases has probably reduced the number of pneumonia infections.

The new Emergency Room at Huggins Hospital with 24 hour coverage has improved the emergency care of the sick and injured and in some cases has proved to be life saving.

Health care is not provided only by the hospital, doctors, and nurses, but many organizations and individuals give very important contributions. These include the Public Health Nurses, the Mental Health group, Rescue Squad, Lakeside Ambulance, the Blood Bank, Meals on Wheels, and many individuals.

Respectfully submitted,
JAMES E. BOVAIRD, M.D.
Health Officer

REPORT OF THE PUBLIC WORKS DIRECTOR 1980

The Public Works Department of the Town consists of the Highway Department, Water and Sewer Department, Waste Disposal Facility, and the Public Works Garage.

For the first time, all of these departments have functioned together as a unit. The year 1980 has been a busy and productive one for all of us in the Public Works Department.

Some highlights have been: The construction of a portion of the Cotton Valley Road; the rebuilding of East Clark and Goodrich Roads; and the rebuilding of Trotting Track Hill. A new pole storage building was completed at the Incinerator facility and full separation has been very successfully implemented. Major improvements, as noted in the foreman's report, have been done to the water distribution system. Much maintenance has been done at the treatment plants. The Public Works Garage has been very active in repair and maintenance of the Town equipment, which is now in an excellent state of repair.

As the first Public Works Director, I wish to express my sincere appreciation to my fellow workers for their assistance and wholehearted cooperation; to the Town Manager and the Selectmen for their patience and understanding; and to the citizens of Wolfeboro for your support, especially in the matters of separation, water works improvements, and for your patience while traffic has been held up for road and sidewalk construction.

Respectfully submitted,
CURTIS A. PIKE
Public Works Director

REPORT OF THE WOLFEBORO HIGHWAY DEPARTMENT 1980

Construction projects for the year consisted of the following:

- 1.** Cotton Valley Road improvement, which is part of a continuing TRA Project, was started on June 2 and completed on August 27. This project required 2,254 man hours.
- 2.** The reconstruction of Clark House, East Clark Road, and Goodrich Road, was started on August 25. This project required 1,745 man hours to complete.
- 3.** Curbing was installed and new sidewalks constructed at the following locations: Crescent Lake Avenue, Carpenter School, Town Hall, and North Main Street at Endicott Street. These projects required 767 man hours.
- 4.** A new access road was laid out and constructed to the stump dump near Brockhouse Corporation. This project required 704 man hours.
- 5.** A section of the Trotting Track Road was widened, ditching completed, and part of the project was paved. This required 582 man hours.
- 6.** New culvert was installed and ditches cleaned at the following locations: Trotting Track Road, North Line Road, Stoneham Road, Forest Road, Lehner Street, and Sewall Road.
- 7.** A sealer coat of tar was applied at the following locations: Whitten Neck Road, Varney Road, Lucas Street, and Baas Drive.

The following is a breakdown of maintenance and other projects for the year and approximate man hours spent on each:

Cutting trees and brush	1,540
Work for other departments	1,237
Cleaning ditches	1,192
Sanding and salting roads	869
Smoother roads with York Rake	736
Thawing Culvert	669
Patching	614
Hauling Winter sand	554
Plowing snow	461
Sweeping streets	320
Laying culvert	309
Cleaning catch basins	304
Hauling material	301
Cleaning culvert	297
Opening ditches (Spring)	294
Mowing roadsides	279
Picking up roadside rubbish	275
Sweeping sidewalks	259
Repair & cleaning equipment	231

WOLFEBORO WATER AND SEWER DEPARTMENT FOREMAN'S REPORT WATER DEPARTMENT – 1980

Due to a malfunction in the main line meter from mid September through November, the total reading is considerably lower this year. From January first, 1980 through September twelfth, 1980, the main line meter totaled 129,459,000 and from November twenty-fifth to December thirty-first the reading was 14,618,000. The total reading for this year is 144,077,000 gallons.

The Department has completed the first stage of improvements that were recommended by the firm of Dubois and King. These improvements were changing the ten inch transmission main going to North Main Street over to the controlled side of the main line regulator and by-passing the check valve at the North Main Street standpipe.

The following were accomplished during the year:

- 33 Water Meters installed (all year)
- 2 Water Meters installed (Summer)
- 6 Water Meters installed (on outside, use for sewer abatement)
- 27 Water Meter Repairs (all year)
- 10 Water Meters replaced (Summer)
- 1 Water Meter replaced (Summer—Remote Reader)
- 7 Water Meters replaced, with remote reader (all year)
- 20 Water Meters replaced, inside readers (all year)
- 4 Frozen water services (curb to house)
- 1 Frozen water service (curb to main)
- 4 Repairs to water mains (all year)
- 23 Repairs to water services (all year)
- 7 Repairs to water mains (Summer)
- 3 Repairs to water services (Summer)
- 1 Water service replaced (Summer)
- 6 New water services (all year)
- 2 New water services (Summer)
- 1 Repair to Hydrants
- 2 Hydrants hit by cars (one replaced with a new one)
- 399 Hours of free non-reimbursed labor was given to other departments.
- 635 feet of 2 inch plastic tubing replaced the 2 inch galvanized pipe on Goodrich Road (year round).
- 265 feet of 2 inch plastic tubing replaced the 1¼ inch galvanized pipe on East Clark Road (year round).
- 2100 feet of 1¼ inch 160 lbs. plastic pipe replaced part of the galvanized pipe on Hopewell Shore (summer).
- 1400 feet of 1¼ inch 160 lbs. plastic pipe replaced part of the galvanized pipe on Kingswood Shores (summer).
- 1500 feet of 1¼ inch 160 lbs. plastic pipe replaced part of the galvanized pipe on the Winter Harbor line (summer).
- Rebuilt the main line regulator on Pine Hill Road.
- Rebuilt the altitude valve at the North Main Street standpipe.

WATER MAINS INSTALLED BY OTHERS

- 566 feet of 6 inch ductile iron, cement lined pipe, and one (1) fire hydrant for Wolfeboro Common Condominiums. (Stanley Fogg, Contractor)
- 106 feet of 6 inch ductile iron, cement lined pipe, and one (1) fire hydrant at Brockhouse Corporation. (Mid-State, Contractors)
- 240 feet of 8 inch ductile iron, cement lined pipe for service to Brockhouse Corporation. (Mid-State, Contractors)

Even though it was a relatively dry Summer, the Beech Pond supply was completely adequate.

I wish to thank my crew for a job well done, and the Water Department wishes to thank all other departments and anyone else who assisted us in the past year.

Thank you.

LAWRENCE A. SWINERTON, Foreman
Wolfeboro Water Department

Treasurer

**WOLFEBORO
WATER AND SEWER DEPARTMENT
FOREMAN'S REPORT
SEWER DEPARTMENT – 1980**

This year has been comparable to others in the past. The Department had a few problems at the main pumping station which were repaired as soon as possible.

A major improvement for this department was the replacement of the electrical control panels and the float system at the Lehner Street pumping station. This pumping station, now operating properly, has made a tremendous difference on the wear and tear of the pumps.

- 31 plugged sewer services
- 2 plugged sewer mains
- 2 repairs to sewer services
- 1 sewer service replaced
- 3 new sewer lines
- 3 repairs to mains

Again, I would like to thank my crew, other people, and departments for their assistance throughout the year.

Thank you,
LAWRENCE A. SWINERTON, Foreman
Sewer Department

WOLFEBORO POLICE DEPARTMENT 1980

Another year has drawn to a close and it is time for the annual report of the Police Department. This has been an active year, and, if the amount of traffic is any indication, a healthy one for the Town of Wolfeboro. The summer season brought many people to town to enjoy with us the beauty and hospitality of our area. Winter also seems to hold good prospects for tourism with the snow fall.

A question I am often asked is "Why do we need so many policemen? I remember when Wolfeboro only had one and he took care of things". Several reasons immediately come to mind, which, although conspicuous, may not be apparent. The biggest reason is that Wolfeboro is no longer strictly a summer resort, it is fast becoming a year round resort. Boston is less than two hours away, thirty years ago it was a half-day away and people were less willing to make the trip for a weekend stay than they now are. Snowmobiling, skiing and other winter sports and recreations are so much more popular that our non-resident friends are returning to their cottages in the winter. Wolfeboro provides recreation, shopping, hospital, regional high school, and other services for the surrounding communities. The permanent population is 47% higher than it was in 1950, and the Police Department now provides 24 hour coverage, year round. These are but a few of the reasons why it is no longer possible to provide police service with one man.

This year the department was able to develop our own pistol range on town owned property. The facility provides a safe area for officers to develop proficiency and learn proper use and handling of firearms. Our thanks are extended to members of the Municipal Electric Department and Highway Department for work in grading and erecting target and barricade lines. Without this assistance the project would not have been possible. All officers qualified on the new range this past Fall as part of our continuing training program. Officer Robert Tierney completed a course through the New Hampshire Police Standards and Training Council and has obtained certification as a police firearms instructor. He has taken on the duties as Firearms Instructor for the department.

Other areas of training have continued with officers attending schooling for advanced accident investigation, family crisis intervention, officer survival, prosecution, homicide investigation and command officers training. In-service training for all officers has continued, covering court room procedure, officer survival, juvenile laws, laws of arrest, accident investigation, motor vehicle law, domestic violence and intoxication laws, firearms liability, rescue and ambulance responsibilities, mental health services, and use of the police baton. One officer graduated from the New Hampshire Police Academy and two continued education at St. Anselm's College.

May we thank all those who have been so helpful to us during the past year: the various town departments for assistance and support, service and fraternal organizations for assisting us in our Christmas program, and the many others who have been so friendly and kind.

Respectfully submitted,
STANLEY E. STEVENS, Chief

PARKS AND RECREATION DEPARTMENT 1980

The Summer Soccer program, coached by Jimmy Bean, increased its membership over the past years. The Fall program for the elementary school age groups had approximately one hundred boys and girls in the program. The all-star team played other town recreation departments.

The girls' softball teams were started in mid-April. Two teams consisting of girls from ages ten to twelve and twelve to sixteen were coached by Kelli O'Keefe.

Bonnie Rankin coached two teams which consisted of girls from grades one through six. Bonnie also coached an all-star team. Games were played with other town recreation departments and also girls' summer camps located in this area. They didn't win all the games, but had a lot of fun and gained the experience.

The Wolfeboro Swim team, coached by Howie Pride, again came out on top this year by winning the State Championship. This was Howie's last year with the recreation department, as he will be attending Medical School. Therefore, the Department will be looking for a new coach for the Summer of 1981.

The junior and senior tennis programs were held again this year, with the junior program being held every Monday and Wednesday from 9:00 A.M. to 12:00 noon, and the senior program held every Tuesday and Thursday from 9:00 A.M. to 12:00 noon. The Department held a considerable number of tournaments this past summer. Avis Rent-a-car, American Express Card, Lipton Tea Mixed Doubles, Tennis Magazine, in conjunction with U. S. Pro Tennis Association, the Cancer Fund, the Heart Fund, and the last one of the season was the Parks and Recreation Grand Open Tournament commencing the first of August. The Grand trophies, containing the name of the man and woman who are the top tennis players for the season, is on display in the Kingswood Trust & Savings Bank.

The Old Firehouse Community Center is being utilized daily by various groups in town. With the number using this facility, a bigger Center is needed.

Abenaki Ski Area was a disaster as far as the ski season went. Abenaki didn't have any skiing until March 14, at which time it snowed 6", which provided skiing for only three days. The following Monday, it rained for two days thus ending the skiing for the season.

Once again, the Abenaki Ski Area served as host for the Jaycee's Sliding Party, even though the snow cover was minimal.

Abenaki has seen the last of "Hot Dogging", as it will no longer be allowed. The town's insurance prohibits this activity, as well as tubing, tobogganing or sliding of any kind. The department realizes that this activity is fun for everyone, but the fact is that this activity is the third largest killer and paralyzer in the world today. Therefore, it has been outlawed.

Abenaki was host for the Daniel Webster Council Boy Scouts which consisted of approximately three hundred boys and Scout Masters, held the last week-end in October. The activities were marred by heavy rain storms and high winds up to 50 M.P.H. It was not a good week-end for pitching a tent.

I wish to thank Wolfeboro Building Material Company and Paul Croteau for his most generous contribution of enough insulation to complete approximately one-half of the maintenance building. One of our next big projects is to construct some type of roof on the amphetheatre so that our concerts can be held rain or shine in the summer.

I wish to thank the townspeople of Wolfeboro and Tuftonboro who have donated time, money, and services toward the many projects and programs.

Respectfully submitted,
DONALD K. BROOKES
Director of Parks & Recreation Department

REPORT OF THE LIBRARIAN

The yearly circulation of books, periodicals and pamphlets, phonograph records, tapes, books and films borrowed from the New Hampshire State Library was as follows:

Adult Fiction	16,894
Adult Non-Fiction	12,453
Young People's Books	11,413
Periodicals and Pamphlets	3,246
Phonograph Records	124
Tapes	566
Books Borrowed from the State Library	
Bookmobile	1,559
Films Borrowed from the State Library	101
Books Added During 1980	1,296

Since the new library opened its doors on May 24, 1979, the public has been using the library more and more. Due to this increased use, the hours were changed in January so that the library is now open 40 hours a week. Early in the year patrons were re-registered and issued wallet-size library cards which are good for two years. The check-out period for books and other library materials was changed to three weeks.

The Wolfeboro Public Library joined the Rochester Area Libraries cooperative (RALI) in April and through this group is a member of a book-buying cooperative. RALI includes both public and school libraries; it stresses information sharing and sharing of resources, particularly audio-visual equipment and software.

A Friends of the Library group was organized in the Spring, and the first annual book sale was held successfully in July to raise money for special needs of the library. This group is an organization of persons inter-

ested in the library, who wish to stimulate use of the library's resources and services, and who want to focus public attention on the library as well as receive and encourage gifts, endowments and bequests to the library. Dues are nominal. Monthly meetings are held on the second Wednesday of the month usually at 7:30 P.M. Check with the librarian for additional information.

A summer reading program for elementary age children was initiated. Twenty-six children enrolled in Book Trek. Activities were planned for the children during this six week program during which they were encouraged to read a minimum of ten books. In addition to Book Trek a ten week summer film program was held. The Wolfeboro Rotary Club donated a 16mm film projector which made it possible to show these movies borrowed from the State Library.

A photocopier was purchased by the Library in July. Copies are 10 cents a page. The size of the copy can vary from 5-7/8" to 17" long by 8 1/4" wide.

Story time for pre-schoolers continues to be a very popular program. Held every Tuesday morning at 10:15 in the children's side of the library, the program is run by volunteers and the librarian. During 1980 an average of 12 children were present each week. The librarian wishes to thank the following volunteers who helped make this program such a success: Jane Talpey, Wilma Mork, Maria LaGuardia, Laura Stoddart, Jane and Steve Zaitz, Jo Neumann, Jean Puff, Bobby Sutherland, Libby Morse, Liz McKenzie, Steve Stirt, and Carol Truebe.

The library provides delivery service to shut-ins, including elderly readers without transportation, the handicapped of any age, and those temporarily incapacitated by illness or accident. The Outreach program, run by volunteers, offers tapes of the *Granite State News*, *Yankee* magazine, and *New Hampshire Profiles*, as well as talking books and magazines to persons who are blind or too handicapped to read ordinary print. Please contact the librarian at 569-2428 for more information about these two services. The following volunteers have given many hours of service to the Outreach Program: John Magee, Chris Buckner, Barbara Zulauf, Russell Chase, Nancy Bean, Phyllis Berry, Elva Brown, Jill Lillis, Suzanne Parsons, Jean Puff, Isabelle Shipman, and Helen Sullivan. The librarian wishes to thank all of them as well as Amy Kimball for her many volunteer hours.

The staff continues to be a group of dedicated and hard-working ladies without whom it would be difficult to function efficiently and effectively.

LOUISE GEHMAN
Librarian

REPORT OF THE LIBBY MUSEUM 1980

The 1980 season at the Libby Museum ended on Sunday, August 31, 1980, boasting over 3,000 visitors from all over the United States. Guests of the Museum traveled from as far away as China, Japan, Australia, Germany, and Hawaii and on a rainy afternoon in August, Kathryn Hepburn paid a leisurely visit.

Guests of all ages enjoyed the Museum and frequently commented on the wealth of diverse and interesting exhibits. Early in the Summer, two former curators, Joan O'Connell and Jackson Emery, stopped in with encouraging words and reminisces.

The Wolfeboro Garden Club was again most helpful. Beautiful ivy, geranium, and petunia flower boxes brightened the porch and two young shrubs were planted in front of the building.

Two exhibits were acquired, a red fox donated by W. H. Dale Townley-Tilson and an antique apple corer, courtesy of Camp Ossipee.

The Museum was fortunate to have the full time services of a CETA employee, Miss Sheryl Bowersox of Ossipee. In addition, volunteers Blair Colquhoun of Wolfeboro and Rachael Gibb of Barndoor Island assisted the Curator on various projects throughout the Summer.

On several occasions, the Wolfeboro Playhouse made use of Museum exhibits as several stuffed animals and fish were cast in the sets of *Catch Me If You Can* and *Ten Little Indians*.

The highlight of the Summer was once again the cocktail party held on Saturday, August 23. Refreshments and lively conversation flowed as old friends and new guests mingled under a sea of antlers and watchful eyes. The party was a financial success thanks to the assistance of many Wolfeboro residents and businesses who donated their money, time, and efforts.

Respectfully submitted,
LEANNE GULDEN
Curator

WOLFEBORO HISTORICAL SOCIETY 1980

Clark House and our one-room Pleasant Valley Schoolhouse continue to be a popular attraction for our Summer visitors, as well as our own townspeople. We also continue to attract many people from other countries because of the Gordon Conference which is held each year at Brewster Academy. We have had visitors from Japan, Germany, Sweden, South America, England, and Canada.

Guided tours of both houses are given by the Curator, Mrs. Joan Kimball, and her assistant, Miss Melony Kimball, Monday through Saturday from 10:30 to 12:00 and 1:00 to 4:00 through July and August.

Early this Spring the Historical Society had a smoke alarm system installed in the Clark House to further protect the house and its valuable contents from fire. An early detection of smoke could very well save the house from destruction if a fire should develop when the house is closed to the public.

In June the grounds of the Clark House were the setting for the marriage of Linda Corson and Darwin Moulton. Linda is the second daughter of Reta and the late Guy Corson to be married at the Clark House. Their other daughter, Brenda, was also married here a few years ago. The grounds of Clark House are one of the most beautiful in town, and we thank the Town of Wolfeboro for the excellent job they do in caring for it.

The Historical Society this year voted to give a limited amount of funds to help in the restoration of the old pieces of fire equipment which are now being restored under the leadership of Mr. Donald Hallock. Wolfeboro can take pride in the fact that they possess five pieces of equipment, as many towns have none of theirs left. A series of five prints of the fire equipment is being prepared for sale. The first print of the series, the Carroll No. 2, is now ready for sale. Anyone wishing to help with the restoration with their time, talents, or money may contact Mr. Hallock. Hopefully some of the equipment will be restored in time to be in the 4th of July parade 1981.

We have succeeded in encouraging many of our own Wolfeboro residents to come and speak to us this year at our monthly meetings held at the Community Center on Lehner Street. Many interesting historical topics have been discussed from one-room schoolhouses to graveyards and old tombstones. We have many talented people in Wolfeboro with varied interests in historical research.

The Historical Society would like to say thank you to everyone who has made this year a success in our continuing work of preserving Wolfeboro's history.

Respectfully Submitted,
JOAN E. KIMBALL
President

ZONING BOARD OF ADJUSTMENT 1980

Forty-one cases were reviewed by the Board of Adjustment during the calendar year of 1980. Twenty-seven were for Variances and fourteen were for Special Exceptions. Three of these cases were withdrawn with no decision rendered. Seven of these cases were re-hearings.

The Variances included the following:

- 4 To establish businesses in the residential zone
- 1 To change the nature of a business in the residential zone
- 3 Build decks with less than required setback
- 3 Build garages with less than required setback
- 1 Single units in multi-family development
- 1 Less than required set backs for single units in multi-family development
- 2 Subdivide with less than required acreage per lot
- 2 To build more condominium units than allowed by ordinance
- 1 To convert existing building to condominium with less than required set back and acreage
- 1 Change location of existing non-conforming sign
- 2 Signs larger than permitted by ordinance.

The Special Exceptions included:

- 5 Home occupations
- 1 Mobile home
- 1 Deck
- 1 Expand business by 25 %
- 2 Conversions to apartments

On initial appeal, fifteen variances were granted and eight were denied. On rehearing, one variance was upheld; two more were granted, and one was denied. In addition, one variance that had been granted was revoked.

Eight special exceptions were granted, three were denied, and one was withdrawn. Two special exceptions were reheard and granted.

PLANNING BOARD REPORT 1980

The Planning Board signed 22 lots of record and 22 subdivisions during 1980. One of the subdivisions signed was for the Town of Wolfeboro's property on Pine Hill Road. This was to sell to Brockhouse Corporation for their manufacturing building.

There were several condominium proposals brought before the Board during 1980, along with 15 Site Review proposals.

The Board is still in the process of considering subdivisions and Site Reviews for the resorts of Point Breeze, Pleasant Valley Road, and Canopache Lodges.

The Planning Board has been working all year with the help of Lakes Region Planning in order to complete the Master Plan for the Town. Plans are to have it completed by March of 1981.

The Planning Board will be elected in March 1981 for the first time. This election process was decided by the voters of Wolfeboro at the March 1980 Town meeting.

Respectfully submitted,
ROGER MOODY
Chairman, Wolfeboro Planning Board

REPORT OF THE WOLFEBORO TREE WARDEN 1980

A total of \$4,450.00 was appropriated and spent in 1980 (up \$200.00 from 1979). The budget in 1981 calls for \$4,500.00 to be spent on removing, planting, spraying, and pruning of trees.

More dead street trees had to be removed again in 1980, although the number was reduced from last year. Only a few remaining elm trees have been spared from Dutch Elm Disease. Significant trees still alive and well are the small elm at the entrance to Cate Park, several in Clark Park, and Carroll County's largest and the state's tallest elm located at the Sanborn residence on South Main Street opposite Bailey's Restaurant.

Thirty-two young trees were planted in 1980 to replace the removed trees. Most of these were planted from the center of town down South Main Street as far as All Saints' Episcopal Church. Trees were also planted on Lehner Street, Glendon Street, Clark Road, Union Street, Center Street, and Libby Street, plus Railroad Avenue and Central Avenue. Species planted were White Seedless Ash, Crimson King Maple, Norway Maple, and Swedler Maple.

Extensive pruning on both young and mature trees was done again this year. Areas of maintenance included Clark Park and Cate Park on North Main Street, as well as many side streets.

Wolfeboro has the distinction of being among the top three towns in New Hampshire (with Durham and Hanover) for per capita funding of tree programs. This is a record to be proud of, because it reflects our awareness that an ongoing tree care program is a basic part of the town's natural beautification process. With the continued support of town officials and other individuals in the community, it will again be a success in 1981.

Respectfully submitted,
WILLIAM H. SWAFFIELD
Tree Warden

**VISITING NURSE ASSOCIATION
of Wolfeboro and Vicinity, Inc.
ANNUAL REPORT 1980**

Requests for the services of our Agency continue to increase. Earlier hospital discharge, increased population, and increasing service available are all contributing factors. A total of 5,511 visits were made by the Agency Staff members. An additional 265 Home Health Aide visits were made under the contractual agreements with the Carroll County Health and Home Care Service which serves Carroll County, and the Lakes Region Community Health Agency which serves Alton.

Our Immunization Clinic Program continues to offer immunization clinics in Alton, Wakefield, and Wolfeboro. These clinics are held in cooperation with the local school systems. A total of 680 children received 1,131 immunizations through this program. Four clinics are held in Alton and Wolfeboro each year; monthly clinics are held in Wakefield. All clinics are open to all children from age two months and are free of charge.

Adult Health Screening Clinics, open to all residents of our service area, were held in Alton and Sandwich in cooperation with the local Lions Clubs. Screening tests for glaucoma, diabetes, hypertension, vision, hearing, and oral cancer were provided. Staff members assisted at the Wolfeboro Senior Citizens Club Flu Immunization Clinic and held blood pressure screening clinics in Sandwich and at the Huggins Hospital Street Fair.

Our application for funding for a Well Child Clinic Program through the State Department of Public Health, Bureau of Maternal and Child Health was accepted. At present we are offering these services at two locations: Wakefield and Ossipee. The Ossipee clinics are being held in cooperation with the Ossipee Nursing Service. The Well Child Clinic Services are available through regularly scheduled clinic appointments for children enrolled in the Program. Services include physical examinations and assessments, immunizations, hearing and vision screening, speech assessment, nutritional, counseling, and dental preventative care. The services are available to children from birth through five years of age who reside in our service area. We hope to establish a third clinic site in Wolfeboro to make this program more accessible to Alton and Wolfeboro residents.

The success of our programs is dependent upon many people: the commitment of our board members; the assistance of school nurses, particularly with the Immunization Clinic Program; the doctors, nurses, and volunteers who assist with our Well Child Clinics; and the support of local residents and taxpayers who contributed financially to our Fund Drive and give their support to our appropriation request. The Board of Directors, the Agency Staff, and I thank you all.

Respectfully submitted,
DAVENA DeWOLF, R.N.
Nurse Administrator

CONSERVATION COMMISSION ANNUAL REPORT 1980

Under the able direction of Ken Kimball, one of our major undertakings this past year was the harvesting of milfoil from Back Bay. Financing of this project was secured from the Conservation Commission, the Town contingency fund, and from contributions by two businesses in the Bay area.

To avoid duplication of effort, we suspended our inventorying of town-owned lands while the reassessment team was collecting data this year.

Edward Sutherland and Wayne Shipman attended a three-session Wetlands Workshop at the Squam Lakes Science Center. The sessions dealt with vegetation, hydrology, and responsibilities pertaining to the newly-formed State Wetland Board.

We were able to engage an outside consultant to do a complete mapping, inventorying, and evaluation of the town's wetlands. This was partially funded by the Planning Board. We feel that we were fortunate in getting such high quality results. The recommendation, when implemented, will be of great help in protecting some of the town's valuable natural resources. A copy of this report is in the town library. We urge you to read it. Copies of the inventory, evaluation, and summary were given to the Selectmen, Town Manager, Planning Board, and Codes Enforcement Officer. A copy of the map is displayed in the town offices. Copies of the summary are available at cost.

As of this date, the land management plan for the spray irrigation site has not been completed by the State Division of Forests and Lands, but is still in progress.

The Conservation Commission serves the town in an advisory capacity. Its activities are varied, challenging, and the results rewarding.

Our thanks go to the townspeople and their elected officials for their interest and support.

Respectfully submitted,

WOLFEBORO HISTORIC DISTRICT COMMISSION

Our 1979 Annual Report was inadvertently left out of last year's Town Report. Therefore, this report covers the years of 1979 and 1980.

Since our last report to the residents of Wolfeboro, the Historic District Commission has received and reviewed twelve completed Applications for Certificates of Approval for alterations and construction within the North Wolfeboro Historic District. All were approved as submitted or after minor adjustments to conform with the Wolfeboro Historic District Ordinance and the written "Guidelines for Approval" by the Commission. One additional proposal for a new dwelling was returned for additional information. The approved projects ranged from relatively minor alteration/restoration projects to the reconstruction of a nineteenth century barn into an energy-efficient dwelling which will include passive solar-pane windows and a greenhouse.

We have continued to coordinate our efforts with those of the Wolfeboro Codes Enforcement Officer and expect this cooperative effort to continue.

More significantly, we wish to express our appreciation for the continued cooperation of the property owners of the District. Such assistance and understanding makes the exercise of our responsibilities, to the long-range benefit of the townspeople, much easier and more enjoyable.

The Commission meets bi-monthly, on the second Tuesday, at 8 P.M. in the Codes Office of the Town Hall. All meetings are open to the Public and we welcome your questions, suggestions, and participation.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

WOLFEBORO FIRE DEPARTMENT

Chief Engineer's Report

The department answered a total of 142 alarms for the year, which consisted of 24 box alarms and 118 still alarms. 39 of the total alarms were woodstove related.

In responding to the calls the department traveled 1,415 miles, employed 1,848 manhours of labor, used 3,185 feet of 1 inch hose, 4,450 feet of 1½ inch hose, 2,450 feet of 2½ inch hose, 1,700 feet of 3 inch hose, and raised 940 feet of ladders.

The members of the department assisted the local schools and hospital with fire drills and held fire extinguisher classes for the hospital. Inspected 32 oil burner installations, 10 homes for day care, 2 for shared homes, 7 places of assembly, and 89 chimneys and wood stove installations. The fire boat received its annual paint and maintenance. Fire boxes were painted and some received new box signs and pole signs. Some of the rooms at the station were painted.

Members attended fire schools at Gilford, Laconia, Concord, Keene, Durham, and St. Anselm's college. A class on protective clothing and air packs was held locally. Joint meetings of all companies were held throughout the summer on major buildings in town. Combined drills were held with the fire departments of Tuftonboro, Ossipee, and Sanbornville.

A new 1,000 GPM pumper with a 750 gallon water tank was purchased. Also 500 feet of 3 inch hose and other small equipment. Old engine three was sold at bid. Hose 2 was sanded down and refinished.

I would like to thank the Selectmen, Mr. Krapp, members of the Wolfeboro Town departments, the Granite State News, WASR Radio Station, and all citizens of the town for the cooperation we received.

Respectfully submitted,
CHARLES FOSS
Chief Engineer

WOLFEBORO RESCUE SQUAD REPORT FOR 1980

For the Wolfeboro Rescue Squad, 1980 was our busiest year since we were formed in 1965. During the twelve-month period, starting last January, we have responded to 116 calls: 47 medical, 34 accident, 25 fire, and 10 miscellaneous runs. 707 volunteer man-hours were expended on those calls.

Five of our emergency personnel took the Emergency Medical Technician course and became Nationally Registered E.M.T.'s in May. We have ten active squad members who collectively spent 600 hours on training during our regularly scheduled twice-monthly meetings.

In reviewing the year 1980, we wish to share the following information with you:

Our automatic response procedure is working well concerning motor vehicle accidents. Whenever a serious vehicle mishap is reported, police, fire, rescue and the ambulance service respond. Each group supports the others, assisting in the many tasks performed at an accident scene. The best feature of the automatic response procedure is that should a further event, a vehicle fire, occur at the mishap, the emergency services needed to handle that event are already present.

This year, we began training with neighboring rescue squads; thus each organization is now aware of the other's capabilities and limitations. This training makes more efficient mutual aid responses.

Squad members attend Huggins Hospital's monthly review and critique sessions. These meetings, instituted during the fall, bring area rescue squads, fire departments, and ambulance services together for medical training and emergency run critiques. By getting together regularly, emergency personnel work continually to improve pre-hospital patient care, through these discussions with the emergency department nurses and physicians.

We expanded our First Responder concept this year and are pleased with its progress. When an emergency is phoned in, the squad is alerted and members nearest to the scene go directly to it. Once there, they stabilize the patient and ready him/her for ambulance transportation. This way a patient is assured the best possible emergency care in the shortest possible time. Some people in our area, however, still do not realize that rescue concerns itself with more than automobile accidents and fires. We are involved in increasingly sophisticated medical stabilization techniques and, therefore, should be called for medical emergencies.

This year the Rescue Squad assumed an increasingly active role at fire scenes. Besides the usual tasks of emergency care, lighting, and evacuation, the squad performs fire support functions as the fire officers and fire fighters request them. Some of these functions include: search and rescue, back up on hose lines, ventilation, salvage, overhaul, and cleanup.

During August, Captain Peter Friend and Lieutenant Peter Hayes became associated with Rescue Training Associates, Ltd., of Claymont, Delaware. R.T.A. specializes in training emergency services personnel in the many facets of rescue and emergency care. Because of Hayes's and Friend's affiliation with Rescue Training Associates, the squad reaps the

benefit of new techniques that this company develops and teaches.

Improvements to the truck were made this year. Of greatest importance was the installation of the Ossipee Valley Mutual Aid radio frequency, giving us direct communication with all fire and rescue apparatus in the O.V.M.A. system. Changes in the cabinets on the truck now allow us to store our equipment more efficiently. We are presently installing a compressed air cascade system on the truck in order to refill air-pac bottles at fires or hazardous material spills. At present, the nearest cascade systems are in Moultonboro and Center Barnstead.

In the future squad members will be extremely busy as they become involved in advanced rescue and emergency care training. Some of the rescue topics to be covered are: industrial accidents, farm machinery accidents, rappelling, rescue from below grade, aircraft rescue, and large vehicle rescue. A few emergency care topics that will be studied are: the esophageal obturator airway (E.O.A.), military anti-shock trousers (M.A.S.T.), communications procedures with hospital emergency units, and advanced emergency medical techniques.

I would like to thank Chief "Zip" Foss and Chief Stanley Stevens and their respective departments for the excellent working relationships Wolfeboro's emergency services employ. Thanks also are due Lakeside Ambulance Service for its vital assistance over the year.

I wish to thank the town officials, employees, and citizens for their continued faithful support of the Rescue Squad. This support makes membership in the rescue organization worthwhile and rewarding.

Please remember that the Wolfeboro Rescue Squad is only a phone call away. For **any** emergency, be it rescue or medical, call 569-2121, 24 hours a day. Give your name, telephone number, exact location, and the nature of the emergency. Do not hang up until the dispatcher has the information needed for sending the appropriate assistance.

Respectfully submitted,

PETER FRIEND

Captain, Wolfeboro Rescue Squad

EDWIN R. CRAIGUE

**EMPLOYEE OF THE MUNICIPAL ELECTRIC DEPARTMENT
1925 - 1960**

**MUNICIPAL ELECTRIC DEPARTMENT COMMISSIONER
1960 - 1970**

Ed began working for the late John D. McHugh in 1912. At that time Mr. McHugh owned and operated the laundry, and was in charge of both the Electric and Water Departments. Therefore, at that time, Ed was a "lineman", ambling around with a horse and a wagon. He took care of the Electric Department work one day a week. The generating plant was located at the Red Mill at the foot of Mill Street and one line ran across Back Bay to supply a small part of the Town.

For forty-five years as an employee and a Commissioner, Ed dedicated his life to the Municipal Electric Department.

REPORT OF THE MUNICIPAL ELECTRIC DEPARTMENT WOLFEBORO, NEW HAMPSHIRE 1980 Annual Report

The high cost of foreign oil continues to cause higher electrical bills in 1980, with no relief in sight. As Seabrook is still not operating, our supplier, Public Service Company of New Hampshire, depends on oil for 38% of its generation.

The Department notes with regret the passing of Edwin Craigue, former employee and Commissioner; Norman Hale, former Commissioner; and Guy Corson, employee. They were devoted to the Department and will be missed.

In August, the Department filed for a 9% rate increase to cover the cost of purchased power rate increases. The rates have not been implemented as we are still awaiting approval from the Public Utilities Commission.

A temporary surcharge by Public Service Company of New Hampshire charged and disallowed on appeal will be refunded in 1981 by crediting active customer accounts and sending checks to inactive accounts who were served between March 1976 and March 1977.

The power plant continues to be utilized in order to shave the peak demand charged by Public Service Company. The system peak of 770 KW occurred on December 15. As we are billed \$5.10 per KVA for every monthly bill from Public Service Company, we were able to shave the billed peak to 5900 KVA. Customers who use energy intensive appliances in the 7:00 A.M.—8:00 A.M. time period could assist by delaying use to later in the day.

Major additions to the lines totaled nearly \$90,000.00 in 1980. Spacer cable was installed in East Alton and the Cotton Valley area. Several minor wind storms caused damage to our lines in October and December. Brockhouse Corp., a major industrial firm opened for business in September.

The Department serves the company from the high line direct to their 500 KVA Pad Mount transformer. A delay in the shipment necessitated the Department serving the company from Pine Hill Road.

Energy saving tips are available at our offices and at The Energy Council in Concord, whose toll-free number is 1-800-852-3466.

If you have a power outage, please contact the Town Offices at 569-3900 and on weekends, holidays and nights, please call the Fire Station at 569-1400.

As in the past, we submit for publication a budget kept in accordance with Town policy and a balance sheet as filed with the Public Utilities Commission in Concord.

Respectfully submitted,
DENNIS E. BEAN
Business Administrator

NOTICE

The Department records for the year 1980 were not audited at this time. The 1980 records will be audited by an outside accounting firm so as to comply with the regulations of the Federal Revenue Sharing Act. The firm of Charles L. Burke, Certified Public Accountants, has been selected to perform this audit and their report will not be available for the printing of the 1980 Town Report. His statement will be published in the local newspaper when the audit is completed.

PAUL R. HATCH, Chairman
LILLIAN O. BROOKES
EDWARD W. ZULAUF
Board of Selectmen
Wolfeboro, New Hampshire

The 1979 Town of Wolfeboro records were audited by the firm of Charles L. Burke, Certified Public Accountants, and in their opinion the statements therein present fairly the results of the operation of the Town Offices for the year 1979. A copy of the audit is on file for public inspection in the Town Offices.

PAUL R. HATCH, Chairman
LILLIAN O. BROOKES
EDWARD W. ZUALUF
Board of Selectmen
Wolfeboro, New Hampshire
